Policies

1. Refunds

- a. Refunds will be given after the first class for any reason (if you decide this class is not for you, return your materials and you will receive a full refund at the end of the first class).
- b. Refunds after the second class will be given at the discretion of the trainer, depending on circumstances (illness, change in circumstances, etc).

2. Vaccinations

a. Puppy Pre-Kindergarten

- i. Vaccination records must be provided at the first class, or the puppy will be turned away until such proof can be provided.
- ii. Puppies must have received at least one set of age-appropriate vaccines and one de-worming or proof of negative stool sample by a licensed veterinarian at least one week prior to attending class. Vaccinations done by a breeder or administered at home are not acceptable.
- iii. Puppies are expected to be kept up-to-date on vaccines during the duration of their time in puppy class. Initial vaccine dates will be noted in the class file, and updated vaccine records will be requested as appropriate.
- iv. Puppies who enter puppy class with appropriate vaccines, but whose vaccine schedules are not maintained will be turned away from class until such proof can be provided. This is for the safety of all puppies in class.

b. All other classes

- i. Vaccination records must be provided before the dog attends his/her first class. Dogs will be turned away, should they arrive without records, until such proof can be provided.
- ii. Adult dogs must show proof of: DHPP (or equivalent) given once yearly unless written proof is provided by your vet that an extended vaccination schedule is acceptable, and Rabies given once or every three years (depending on type of vaccine given) by a licensed veterinarian. Proof of adequate titer levels done by a licensed veterinarian may be used as a substitute.
- iii. Bordetella (for kennel cough) is also strongly recommended for all dogs, but not required.

3. Class Length

- a. Puppy Pre-Kindergarten
 - i. Consists of eight classes, once a week.
- b. Basic & Advanced Obedience
 - i. Consists of six classes, once a week.
- c. All other classes
 - i. Consist of eight classes, once a week unless otherwise specified.

4. **Cancellations:** Occasionally class must be cancelled due to bad weather, for holidays, or other circumstances. If this happens, the class length gets extended by one week to make up for the lost week.

5. Attendance

- a. For all classes, if a client misses a week, it may not be made up by adding a week to the class length. For example, if a client misses one puppy class, they will still finish eight weeks from when they started.
- b. Make-up sessions: A client may request one free 15-20 minute make-up session for one class. This lesson will be scheduled at the convenience of the trainer, and will cover the material missed during the class.

6. Dual Registrations/Package Deals

- a. For clients signing up for Puppy and one other class, or Basic & Advanced
 - i. Prior to signing up, the client should look at the upcoming class schedule (available on the website) and make sure he/she can attend both classes.
 - ii. Clients may take up to two months between the end of the first class and the beginning of the second. It is the responsibility of the client to notify the trainer which class they plan on attending.

Clown Class Information

What will we learn in class?

- You will learn at least 20 different tricks, possibly more depending on how quickly you and your dog progress and what tricks you already know!
- You will also learn how to capture, lure, and shape a trick, as well as how to train a more complex (multiple behavior) trick.

What do I or my dog need to know before we sign up?

I strongly recommend having completed a basic (pet manners) obedience class before taking Clown Class. This is not so much for the skills that you learned but more so I know that your dog can remain focused on you in the presence of other dogs. If you have not completed a class, but your dog can focus well on you in that sort of environment, that is okay.

What are your teaching methods?

All classes are taught using positive-reinforcement methods only. Choke chains, prong collars and electronic collars are not allowed to be used. In my opinion, sports and tricks are an optional, fun part of our dogs' lives – there is no need for punishment in what should be a game.

How long is class and much does it cost?

The class is 4 weeks long and costs \$100. To register, mail your registration form, liability waiver and check (made out to "The Kinetic Canine" to 18350 FM 150 W, Driftwood, TX 78619. Checks will not be deposited until the first day of class.

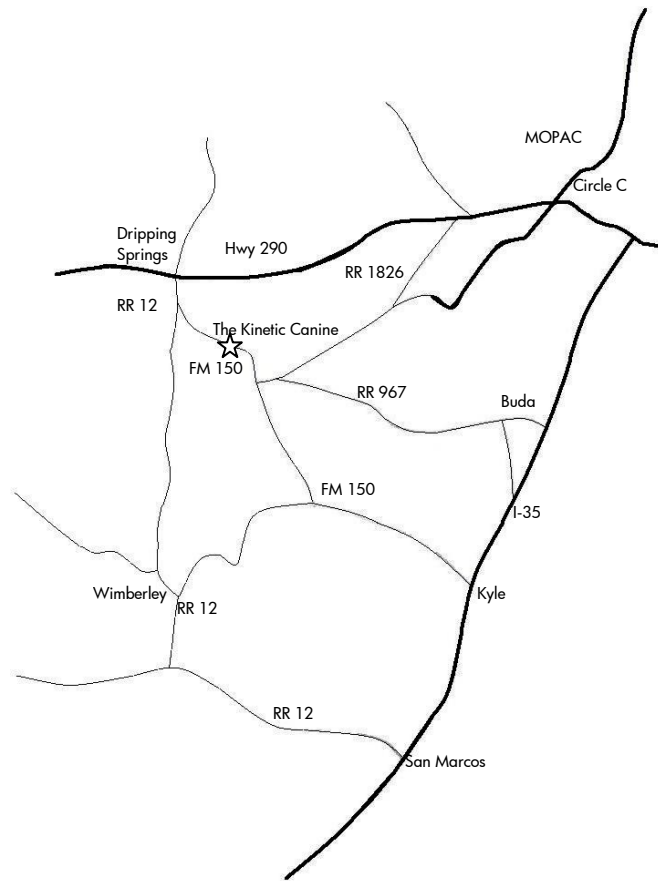

What do I need for our first class?

- Vaccine Records (this is IMPORTANT – I **MUST** see vaccine records, as I teach puppy classes on the premises as well and need to protect them – you can fax them to me at 512-686-3050 if it's easier or you're afraid you'll forget)
- Your Dog!
 - o If you have an excitable dog, exercise him before class if you can. Don't run him to the point of exhaustion, but enough to take the edge off his energy and let him focus on you during class.
 - o Depending on your dog, you may want to hold dinner until after class. Some dogs will focus better on you if they are hungry, others do better after having had at least a snack.
- Equipment
 - o Bring your dog in a flat, buckle collar or martingale
 - o Bring a 4-6 foot leash (no flexis please).
- Treats
 - o Should be soft and easy to eat (preferably no crumbs to sniff for)
 - o Should be small (the size of your pinky fingernail for a large dog; half that size for a small dog)
 - o Should be super-yummy! (pull out the big guns – cheese, hot dogs, deli meat...)

Things to remember:

- Arrive a little early
 - o You can give your dog a chance to potty before class begins.
 - o If there is a class in session before yours, please wait out in the parking lot until that class is over.
- Please enter through the near gate, letting any exiting dogs out through the far gate.
